<b>Notes</b>	
(0030442) Larry Greenwood 07-11-12 22:19	<div><div>Summary:</div><div>The FYI/Help and Product Description Document need updated when we release the changes to the image matrix and single image view screens. These changes are for <a href="http://www.aviationweather.gov/products/ecfp/">http://www.aviationweather.gov/products/ecfp/</a></div><div>Files Changed: awc/site/application/modules/products/views/scripts/ecfp/info.phtml</div><div>Technical Impact: Low.</div><div>User Impact: Low.</div><div>Changes are currently available for test at <a href="http://bcaws.aviationweather.gov/products/ecfp/">http://bcaws.aviationweather.gov/products/ecfp/</a> [^]</div><div>Testing: 1. Go to /products/ecfp/ 2. Click the FYI/Help link on the top right corner of the page. 3. You should now be on a html page instead of bringing up a .pdf as before. 4. Validate that the Product Description Document (PDD) link on this page can be viewed and has the latest updated text. 5. Validate that the "Return to ECFP" link returns you to the ecfp image matrix page at /products/ecfp/ 6. On the ecfp image matrix page, click one of the images 7. Now click the FYI/Help link on the top right corner of the page. 8. Validate that the Product Description Document (PDD) link on this page can be viewed and has the latest updated text. 9. Validate that the "Return to ECFP" link returns you to the ecfp detail display page at /products/ecfp/display</div></div>
(0030360) Ryan Solomon 07-05-12 15:40	<div><div>Larry, I uploaded the new images to the ticket. The PNG images looked a lot better than the GIFs. But if you need GIFs I have them too. Just let me know. These images are pretty big so you might have to scale.</div><div>I also uploaded the new PDD (in PDF format).</div></div>
